## NEW RESIDENTS

The parents of two daughters and one son, **Louise and Martin O'Donnell** join us from their home in Winchester. Louise grew up in Manchester, NH, and Martin hails from South Boston. The couple met at a wedding and will celebrate 60 years of marriage this May.

Louise graduated from Russell Sage College in Troy, NY, earning a Bachelor of Science. She worked as a lab technician at Boston City Hospital and later at Tufts University School of Dental Medicine. Martin is a graduate of Boston College High School, MIT, and Boston College of Law School. He worked on the Anti-Submarine Missile Program in Washington, D.C. for a time, and had a 48-year career as a patent attorney, working with companies such as Digital and Raytheon.

Louise is active with Winchester's En Ka Society and previously chaired its annual En Ka Fair. Martin enrolled in the Harvard Institute for Learning in Retirement, where he and the other participants took classes *and* taught school. We extend a warm welcome to Louise and Martin.

### Family Visits and Big Smiles

Resident **Jane Robinson** had a joyful visit with granddaughter **Kryssie** and great-granddaughter **Cali**, who had fun riding on “Gum’s” rollator walker.

Another intergenerational visit was enjoyed by resident **Helen Carter**, her grandson **Eric**, and her great-grandchildren, **August** and **Nora**, of Marlborough.

There were smiles all around when family from Beverly paid resident **Claire Torrice** a visit. Pictured above (l to r) are nephew **Larry Ridge**, **Claire**, and niece in-law **Fran**.

## Dressed to Celebrate

On New Year's Eve, resident **Tony Lemone** was dressed in style for his granddaughter's wedding. Looking great in his tuxedo and classic patent leather shoes, Tony took a moment to pose for a photo before leaving for the evening's festivities.

Fun fact: Tony is a lifelong Woburn resident who was born in this building at the former Choate Hospital.

## Oh What Fun!

Residents were in high spirits at the recent **nightclub event**, featuring an amazing charcuterie display at each place setting — created by our executive chef, **Angel** — as well as a variety of passed hors d'oeuvres, and espresso martini and Manhattan cocktails. Attendees danced and tapped to the beat of musical entertainment by **Joey Bee-Bop**.

## NEW YEAR, NEW INFORMATION

The start of a new year is an opportune time to review and update the emergency instructions and legal documents you have on file at New Horizons. We encourage all residents to confirm that these directives contain the most current information. If you require assistance, please contact a director.

**Resident Information Sheet:** This form is used by emergency personnel in the event that a resident is transported to the emergency room. It includes

emergency contact information, doctor's name, hospital of choice, and more. Although these sheets are maintained strictly as a courtesy, we encourage residents to notify New Horizons of any changes as they occur. To protect residents' privacy, the Resident Information Sheet does not contain any identifying medical insurance or Medicare membership information.

**Health Care Proxy:** Is your agent still actively involved in your wellness? Is your alternate healthcare proxy still an appropriate backup? Does New Horizons have the name, email, and phone number of your agent so they may be reached in an emergency?

**Power of Attorney:** Is your choice still able to serve as power of attorney?

**IN MEMORIAM:** We are deeply saddened by the loss of **Ethel Murphy**, an amazing, astute and kind woman who was 102 years young, and **Joy Draper** who charmed us during her residency of nearly six years. We send heartfelt condolences to the family and friends of these two special ladies.

Find yourself, your family, and your friends in our posts. Come see the fun we have at [New Horizons at Choate](#).
